

# **The Complete Gig List 1963-2025**

**Compiled by  
Jon Anderson**

This complete list of music concerts was compiled by Jon Anderson. We are extremely grateful for his dedicated work which draws on many sources including (but not exclusively): The Cambridgeshire Archives, The University of Cambridge Library, The British Library, The British Newspaper Archive, The Cambridge Evening News, 45cat.com, setlist.fm, Melody Maker, marmalade-skies.co.uk, concerts-fandom.com, concertarchives.com and many band websites. This research was part of the National Lottery Funded Project, 150 Years of Cambridge Corn Exchange.

The list concentrates on gigs and does not include the other live events such as comedy or classical music concerts which took place over this period.
