

My father's brother, WALTER EDWIN CHERRY (1881-1955), living in St. John's Parish, possibly with his widowed mother and two brothers, had his marriage banns read in St. John's Church in May 1906. He married Elsie Ann Gertrude Kirk of Watford, Herts.

Another CHERRY family, of Marshall Road, used St. John's Church for marriages and baptisms from 1910 onwards. If you are of this CHERRY family, Mrs Brearley (01223 245421), niece of W. E. Cherry, would like to hear from you.

The photos show Walter Cherry, about 1910, and with his wife Elsie in 1951.
