Mill Road History Society Street Directory Project

In 2026 the Mill Road History Society started a project to scan the street directories for Cambridgeshire and make them freely available to all. This book is part of that project.

If you find any pages missing or unreadable then please email directories@millroadhistory.org.uk and we will correct the problem if we can.

Scanned with the CZUR ET24 Book Scanner.

ESCAPING

GAS

If it is bad, throw open all the doors and windows, put out any open fires, using salt, and do a quick check that all gas taps are turned off.

• • •

A sudden draught can easily blow out a low gas light or pilot jet, so before contacting your local Gas Board, check the relevant appliances.

• • •

You may be able to trace the source of the escape by the smell, but on NO account use a lighted match to try and find it. If all your gas appliances are turned off and a smell persists, you should notify your area Gas Board immediately, turn off the gas at the meter, extinguish all naked lights and open doors and windows.

• • •

You will find the address and telephone number of the local Gas Board under the Emergency Services heading in your TRADEFINDER.
