# Mill Road History Society Street Directory Project

In 2026 the Mill Road History Society and the Museum of Cambridge started a project to scan the street directories for Cambridgeshire and make them freely available to all. This book is part of that project.

If you find any pages missing or unreadable then please email [directories@millroadhistory.org.uk](mailto:directories@millroadhistory.org.uk) and we will correct the problem if we can.

## LADIES' RECRUITING COMMITTEE.

OFFICE :—County Hall, Hobson Street, Cambridge.

Open daily from 10 a.m. to 5 p.m. Telephone 1065.

PRESIDENT :—Mrs. Adeane, Babraham Hall.

CHAIRMAN OF EXECUTIVE COMMITTEE :—Mrs. E. Mellish Clark, Binnbrook, Cambridge.

HON. SECRETARY :—Miss R. Philpott.

The Ladies' Recruiting Committee, working under the County Territorial Association, though primarily formed for helping in recruiting, is also the recognised organisation (1) to which the Commanding Officers of the three Battalions of the Cambs. Regiment (T.), and the 11th (Cambs.) Battalion of the Suffolk Regiment, can apply for extra comforts and clothing for their men. The Committee also supply these to Cambs. men serving in other units, and (2) to forward once a week parcels to the front free of charge to Cambs. men serving in the Cambs., Suffolk and Beds. Regiments. (3) The Committee keep a register of all Cambs. men who are Prisoners of War, with a view to seeing that every man has a regular supply of gifts of food, etc., sent to him either from regimental or private sources. This work is carried on in connection with the London Prisoners of War Help Committee (Chairman, Sir Charles Lucas).

The following hints are given to those who wish to make use of the facilities offered by the Committee :—

 Pack your gifts very tightly and securely in a tin or wooden box, wrapping each article separately in soft paper (no perishable food or bottles should be sent); do the parcel up with strong paper and string, and address it distinctly with the soldier's number, rank, initials and name, add the number of his battery, battalion or squadron, and name of regiment, division, etc. The name and address of the sender, and a list of contents, should also be written on the outside of the parcel. Take or send it to the office of the Ladies' Recruiting Committee, County Hall, Hobson Street, Cambridge, any Monday or Tuesday; the Committee will pay the carriage to London, and from there the parcels will be forwarded direct to the front free of charge by Queen Alexandra's Field Force Fund.

If you do not wish to pack a parcel yourself, you can send 1s. 6d. to the Ladies' Recruiting Committee, and they will arrange with the Field Force Fund to send out to any given address a parcel containing the following things, all of which are of excellent quality: Handkerchief, bootlaces, candle, matches, pencil, soap, stationery, sweets, toothbrush, towel.

## CHESHUNT COLLEGE.

The College was founded in 1768 by Selina, Countess of Huntingdon, to train men for the Ministry of the Protestant Evangelical Churches. It was removed to Cheshunt in 1792 and remained there until 1905, becoming a Divinity School of the University of London. Under a new Scheme of Government drawn up by the Board of Education it migrated to Cambridge, 1905, in order that its students might become members of the University and have the benefit of the University teaching here. Its Governing Body is representative of many interests, and the Students have free choice as to the Churches in which they shall serve after leaving the College. There are at present 21 students in residence.

New Collegiate Buildings have been erected at the Brookside end of Bateman Street. The foundation stone was laid by the Lord Chancellor in June, 1913.

**"A Dainty Display.**

A feature of the exhibit which the Chiswick Polish Company have erected at the Crystal Palace is the excellent display of footgear which the Company are making to demonstrate the advantage of using their specialities. The various specimens are tastefully arranged in glass cases on either side of the entrance to the "House of Commons." They comprise an extensive collection of hunting, racing, and polo boots, walking boots, and shoes in various styles, and also a smart pair of officer's dress Wellingtons, all of which have been specially made by the well-known firm of FRANK DALTON and Co., of Cambridge and Premier House, 48, Dover Street, W. Better examples of British Craftmanship it would be impossible to see, and it is clear that no expense has been spared by the Company to obtain the very finest goods whereon to display their wares. Messrs. DALTON cater largely for University wearers, and have only departed from their customary methods at the express wish of the proprietors of "Cherry Blossom." Some of the latest additions to the display have been submitted to us for inspection, and it is only doing them justice to say that they embody the finest material and workmanship the most exacting wearer could desire. The Chiswick Polish Company have shown even more than their customary enterprise in obtaining for the purpose of their display at the Festival of Empire footgear of such a distinctive character."
