Mill Road History Society Street Directory Project

In 2026 the Mill Road History Society and the Museum of Cambridge started a project to scan the street directories for Cambridgeshire and make them freely available to all. This book is part of that project.

If you find any pages missing or unreadable then please email directories@millroadhistory.org.uk and we will correct the problem if we can.

PREFACE.

43, SIDNEY STREET,
CAMBRIDGE.

After an interval of three years it is now found possible to resume the publication of the Directory.

The whole of the Town has been visited in the collection of the information, and it is confidently hoped that a satisfactory and correct Directory will be found to be the result.

The alterations are very numerous, but every effort has been made to ensure that the information is up to date, and changes of residence and other alterations (such as the re-numbering of parts of Warkworth Street and Warkworth Terrace) which are known to be imminent, have been incorporated.

In common with the country in general, Cambridge is feeling acutely at the present time a shortage of housing accommodation, and as a result the Corporation have taken over the buildings erected during the War for the First Eastern General Hospital and converted them into dwellings.

The Publisher gratefully acknowledges the ready assistance he has received from many in supplying information for the book.

W. P. SPALDING,
Publisher.
