PREFACE.

43 SIDNEY STREET,
CAMBRIDGE.

The Publisher has pleasure in issuing the 1921-22 edition of *Spalding's Street and General Directory of Cambridge*, in the preparation of which the whole of the Town has been visited and it is confidently hoped that the information thus procured added to that obtained by other means has resulted in the production of a thoroughly up-to-date and reliable Directory.

It will be noted that many additional residents are now accommodated in the buildings previously used for the First Eastern General Hospital in Burrell's Walk and that, under its Housing Scheme, the Corporation has provided a number of new houses in Garlic Row and on the Rock Estate in Hills Avenue etc. The names of those to whom the houses in Garlic Row have been let, are given in the Directory, but as the houses on the Rock Estate are not yet completed, it is only possible to indicate their position and number.

The Publisher again tenders his thanks to all who have so willingly supplied any information asked for in connection with the compilation of the book and to the Subscribers and Advertisers whose support renders the publication of the Directory practicable.

It is interesting to learn from the provisional returns of the recent (June 19th, 1921) census that the population of the Borough of Cambridge is estimated to be 59,262 (27,139 Males and 32,123 Females) compared with 55,812 (25,311 Males and 30,501 Females) in 1911.

Any suggestions for the improvement of the book will be welcomed and carefully considered.

W. P. SPALDING,
Publisher.
