Mill Road History Society Street Directory Project

In 2026 the Mill Road History Society and the Museum of Cambridge started a project to scan the street directories for Cambridgeshire and make them freely available to all. This book is part of that project.

If you find any pages missing or unreadable then please email directories@millroadhistory.org.uk and we will correct the problem if we can.

PREFACE.

43, SIDNEY STREET,
CAMBRIDGE.

The Publisher has pleasure in issuing the 1923-24 edition of *Spalding's Street and General Directory of Cambridge*.

The canvass of the Town in connection with this edition of the Directory was made in May and June, but alterations have been noted up to the time of the actual printing of the book in order that it may be thoroughly up-to-date.

The additions and alterations have proved to be heavy, and while the book has been in the Press the newly-erected Corporation Houses in Milton Road and Union Lane have become inhabited, and the names of the householders have been inserted.

The improvement of numbering or re-numbering has been effected in the case of Grantchester Meadows and Street, Hardwick Street, Millington Road, and Mount Pleasant.

A few suggestions for the improvement of the *Directory*, which are always welcomed, have been received since the publication of the last issue—for these the Publisher is grateful, as also for the kind expressions of appreciation which have reached him.

He again tenders his thanks to those who have readily supplied information for the *Directory*, and to the Subscribers and Advertisers, and trusts that the book will prove of much benefit to them, and that the compilation thereof may be the rendering of a real service.

W. P. SPALDING,
Publisher.
