PREFACE.

43, SIDNEY STREET,
CAMBRIDGE.

The Publisher has pleasure in issuing the 1924-25 edition of *Spalding's Street and General Directory of Cambridge*.

The canvass of the Town in connexion with the publication of the Directory takes place during May and June, but alterations are noted up to the time of the actual printing of the book in order that it may be thoroughly up-to-date.

Since the issue of the last Directory progress has been made with the development of various Building Estates, and in this edition appear for the first time the names of *Hawthorn Way, Oak Tree Avenue, Maple Close, and Chestnut Grove*, situated between the Chesterton and Milton Roads, *Harvey Goodwin Avenue, Strelten Avenue, and Hale Avenue*, off the Victoria Road, *Haig Road* joining Chesterton and Cam Road, and *Coleridge Road*, which is the name given by Jesus College to the new road between Cherryhinton Road and Romsey Town.

A new map of the Town is included in this issue and these new roads are shown thereon.

The plan of the Museums and Laboratories has been revised, and particulars of the University Museums and other places of interest, with the times during which they may be visited, have been added to the Official Information Section.

Barton Road, Grantchester Road, Rathmore Road and Wetenhall Road have been renumbered since the last edition was published.

The Publisher again tenders his thanks to those who have readily supplied information for the Directory, and to the Subscribers and Advertisers, and trusts that the book will prove of much benefit to them.

W. P. SPALDING,
Publisher.
