Mill Road History Society Street Directory Project

In 2026 the Mill Road History Society and the Museum of Cambridge started a project to scan the street directories for Cambridgeshire and make them freely available to all. This book is part of that project.

If you find any pages missing or unreadable then please email directories@millroadhistory.org.uk and we will correct the problem if we can.

PREFACE.

43, SIDNEY STREET,
CAMBRIDGE.

The Publisher has pleasure in issuing the 1926-27 edition of *Spalding's Street and General Directory of Cambridge*.

The portion occupied by the Street Directory in the present issue takes four pages more than it did in last year's publication, which may be taken as an indication of the appreciable addition to the number of houses in the Borough which has been made during the past year. This increase has taken place principally in Coleridge Road, Hawthorn Way, Milton Road, Selwyn Road, and Vinery Road.

Since the issue of the last edition of the Directory, Little S. Mary's Lane, King's Road and Selwyn Road have been officially re-numbered.

In accordance with suggestions which have been kindly sent to the Publisher, telephone numbers have been added to the names of subscribers in the Private Residents' list of the present issue, and information respecting the Territorial Force has been included in the Official Information.

The Publisher again tenders his thanks to those who have readily supplied information for the Directory, and to the Subscribers and Advertisers, and trusts that the book will prove of much benefit to them.

W. P. SPALDING,
Publisher.
