PREFACE.

43 SIDNEY STREET,
CAMBRIDGE.

The Publisher has pleasure in issuing the 1931-32 edition of *Spalding's Street and General Directory of Cambridge*, which is the thirty-first volume of the work, the first one of which was issued in 1874.

The number of houses in the Borough continues to show an appreciable increase, which has taken place during the past year chiefly in Glebe Road, Holbroke Road, Leys Avenue, Milton Road, Mowbray Road, Orchard Avenue, and Sedley Taylor Road, while the following new thoroughfares have been opened: Ascham Road, Barrow Road, Kendal Way, Linden Close, and Shirley Grove. A large estate is also in course of preparation between Histon Road and Milton Road, where a new thoroughfare named Gilbert Road will run.

Numbering or renumbering has taken place since the last edition of the *Directory* was issued in Castle Street, Cavendish Road, Flamsteed Road, Glebe Road, Holbroke Road, King's Hedges Road, Latham Road, Leys Avenue, Orchard Avenue, S. Andrew's Road, and York Terrace.

The disappearance of the formerly familiar Carrier's Cart is shown by the Villages section, where it will be seen that this work is now done almost entirely by Motor transport.

The Publisher again tenders his thanks to those who have readily supplied information for the *Directory*, and to the Subscribers and Advertisers, and trusts the book will prove of much benefit to them.

W. P. SPALDING,
Publisher.

Does your Shopping make a hole in your Purse ?

THINK how much you normally spend on Groceries and Provisions in the course of twelve months. When you shop at the Co-operative Stores you get back some of that money in the form of Dividend on Purchases, and if it is left in the Society, it earns for you 5 per cent per annum. It is extraordinary how Dividend mounts up, and in a short time you have a substantial sum of money standing to your credit—safe, and ready when you want it.

Does your Shopping make a hole in your Purse ?

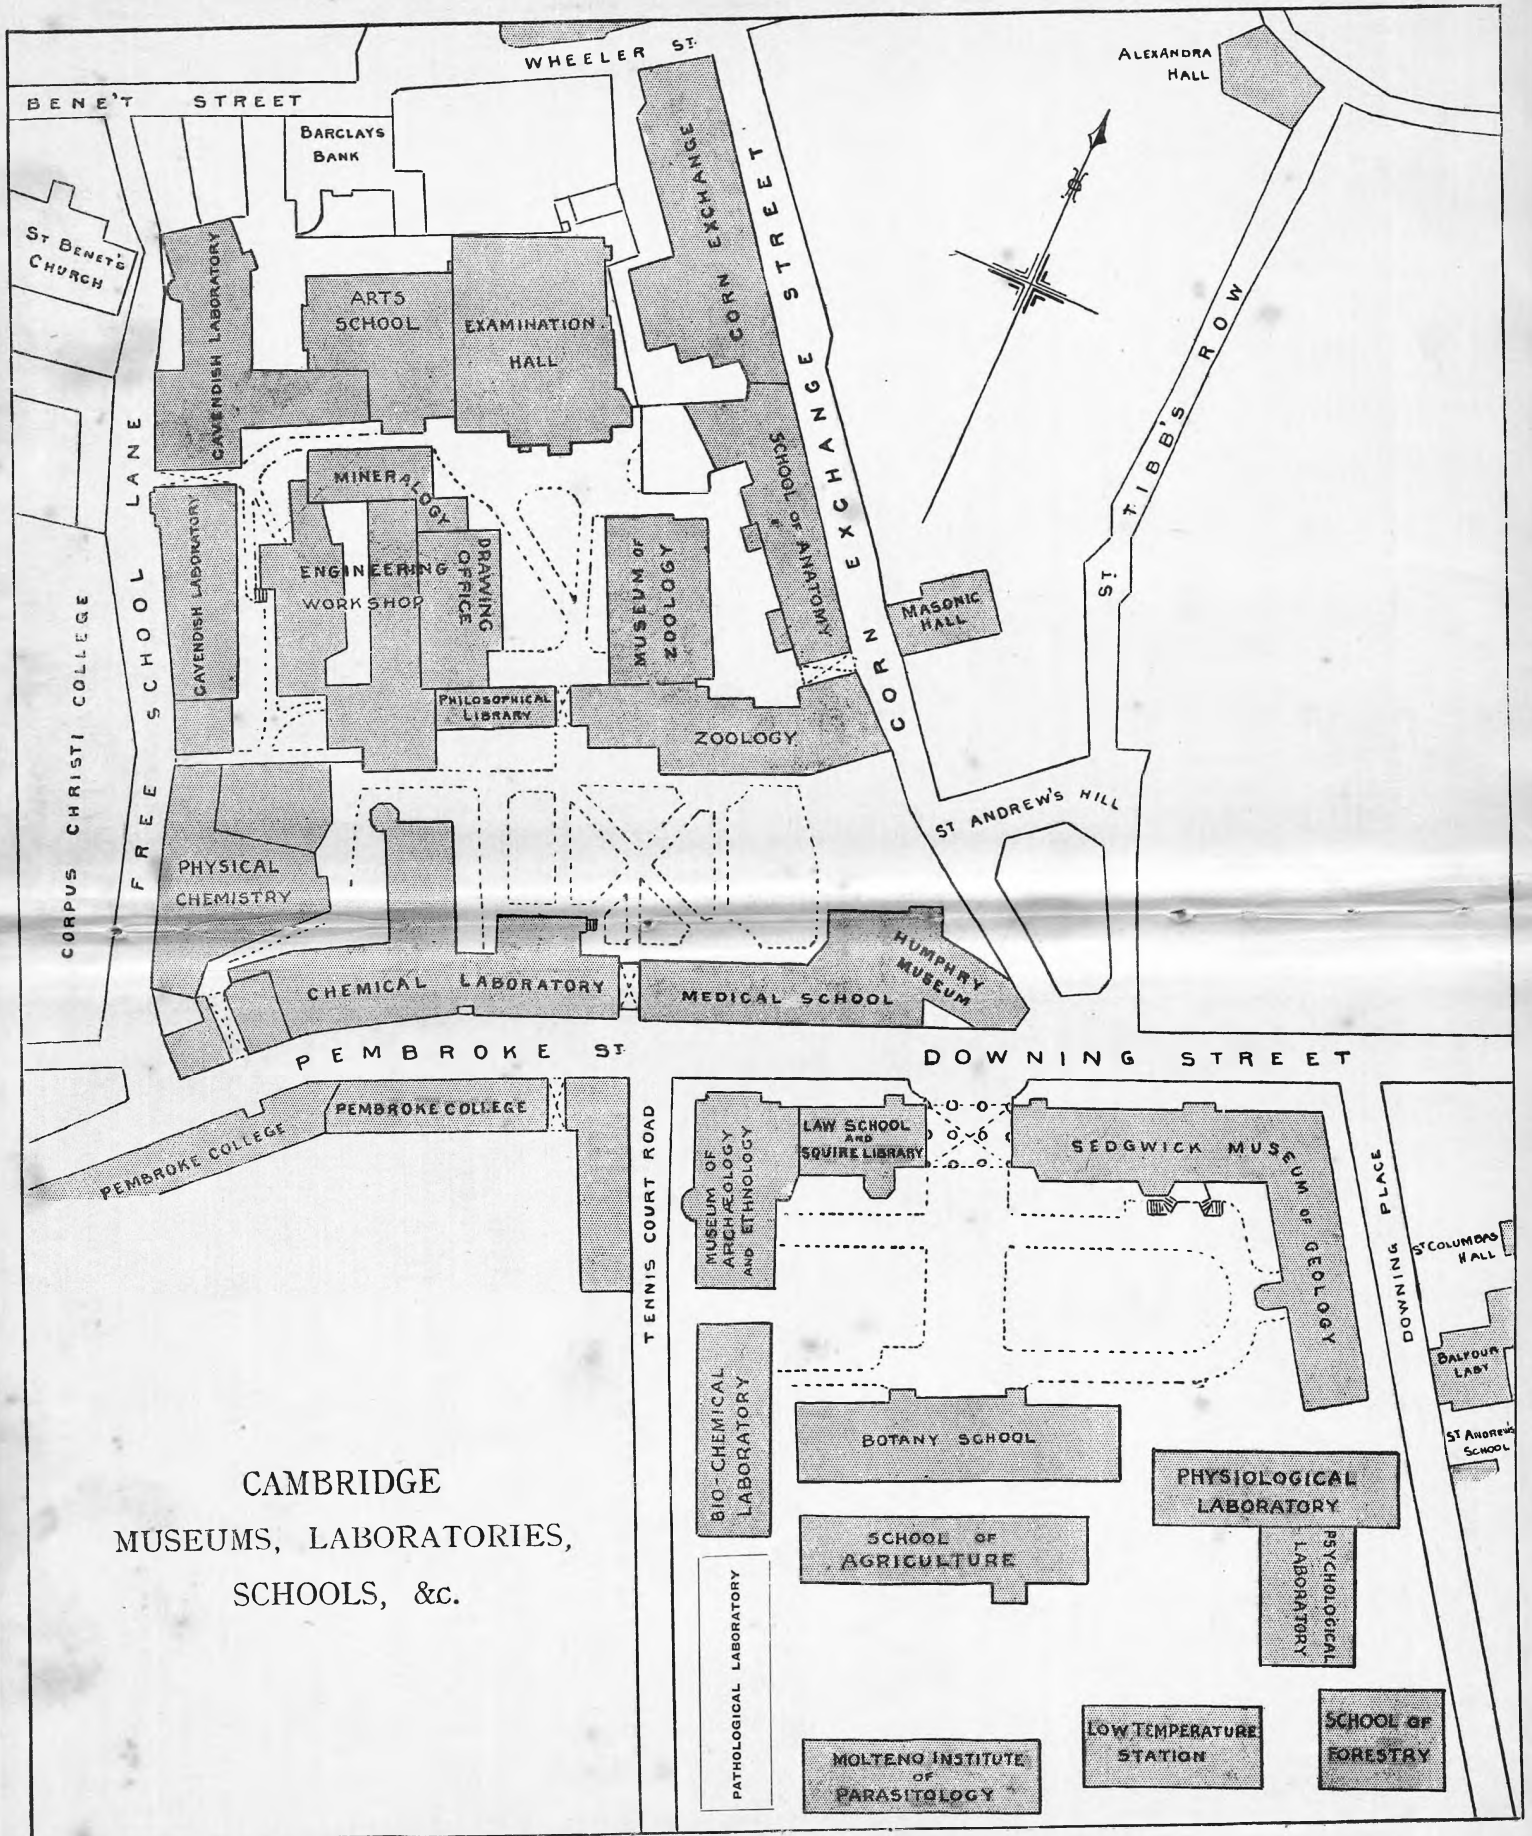

THINK how much you normally spend on Groceries and Provisions in the course of twelve months. When you shop at the Co-operative Stores you get back some of that money in the form of Dividend on Purchases, and if it is left in the Society, it earns for you 5 per cent per annum. It is extraordinary how Dividend mounts up, and in a short time you have a substantial sum of money standing to your credit—safe, and ready when you want it.
