COALITE

There is no heating system so healthy as an open coal fire. A fire not only radiates a wholesome glow and warmth but draws in a constant supply of fresh air to ventilate your rooms. A coal fire gives no deleterious fumes, does not dry the air, nor cause that staleness so noticeable with other systems.

We stock a wide range of coals for every purpose, at reasonable prices and ready for immediate delivery.

### "TOURIST" MAPS

are specially designed for the use of Tourists. Each map covers the whole of some district noted as a holiday resort. ## PREFACE.

---

43 SIDNEY STREET,  
CAMBRIDGE.

THE Publisher has pleasure in issuing the 1934-35 edition of *Spalding's Street and General Directory of Cambridge*, which is the thirty-fourth volume of the work, the first one of which was issued in 1874.

This edition of the *Directory* is the first to be issued since the extension of the boundaries of the Borough under the Cambridge (Extension) Order, 1934, which came into force on the 1st April, 1934. Under this Order the villages of Cherry Hinton and Trumpington are included within the Borough boundaries, together with certain other areas to the North and East of the old Borough. The inclusion of particulars of these added areas has necessitated a considerable increase in the size of the present volume.

A new map has been prepared showing the whole of the enlarged Borough and a new plan of the University Laboratories, etc., giving the present arrangement of these buildings.

The new University Library built in Burrell's Walk from plans prepared by Sir Giles Gilbert Scott is now in use, and will be formally opened by their Majesties the King and Queen on the 22nd October.

The number of houses in the Borough continues to grow, and during the past year the 2000th house built by the local Authority under its various housing schemes has been completed.

Since the last edition of the *Directory* was issued, numbering or renumbering of houses has taken place in Ascham Road and Oxford Road.

The Publisher again tenders his thanks to those who have readily supplied information for the *Directory*, and especially for the assistance he has received in connexion with the added areas, and to the Subscribers and Advertisers, and trusts the book will prove of much benefit to them.

W. P. SPALDING,  
*Publisher.*
